

Saratoga Airport recognized in ENR NY Regional Best Projects competition

The [Saratoga County Airport New Terminal Building and Jet Hangar](#) project has been honored in the ENR Regional Best Projects competition. Held annually by *Engineering News-Record*, the competition recognizes construction projects across the U.S. – based on geographic region.

The airport project received an Award of Merit in the Airport/Transit category. This project involved the construction of a new fixed-base operator terminal building and an adjacent 20,000-SF jet hangar. The new terminal features a spacious lobby, passenger waiting area, rental car counter, pilot lounge, conference room and on-site restaurant. LeChase served as the general contractor on the project through it's [NY Capital Region office](#), working with architect [Fennick McCredie](#).

The Saratoga Airport project is among [three other LeChase projects recognized in the awards competition](#). For the full list of ENR New York Regional Best Projects Award winners, [click here](#). The awards will be presented at a ceremony in New York City later this year.
