

Steve Bulger

Steve Bulger was appointed Saratoga County Administrator in 2021, where he oversees County government operations including 1,300 employees and an annual budget over \$450 million.

Bulger previously served three years as Regional Administrator for the U.S. Small Business Administration in Regions 2 & 3, leading SBA's economic development, lending, and disaster recovery operations across seven states and three territories.

In 2017, he completed a six-year role with the U.S. House of Representatives as District Director for Congressman Chris Gibson and spent thirty years in the private sector working in the medical device industry for companies including Stryker and Johnson & Johnson. Bulger also served ten years on the Clifton Park Planning Board, including seven years as Chairman.

He is a graduate of Lafayette College, and lives in Clifton Park with his wife Mary Beth.
