

## ADIRONDACK REGIONAL CHAMBER OF COMMERCE

Dear ARCC Member:

I am writing to let you know about an upcoming change in leadership at the Adirondack Regional Chamber of Commerce.

President & CEO Tori Riley has informed our Board of Directors that she will be leaving the Chamber effective September 5 to return to her previous position as Vice President of the Saratoga Economic Development Corp.

As anyone who has worked with Tori knows, she is a tremendous ambassador for our region and a dedicated advocate for our business community. She brought new energy and popular new educational programs to the Chamber, strengthened our financial foundation, and made sure that our resources were 100% directed at meeting the needs of our members. Tori tells me that the decision to leave was extremely difficult, but she's found that her real passion lies in direct economic development activities. She'll be great in that role and we wish her the very best as she continues her good work on behalf of our regional business community.

Please know there will be no interruption in Chamber programs or services as a result of this change. The ARCC Board will form a committee to lead the search for a new president. In the interim, members of the Board's Executive Committee will work closely with our outstanding staff on a day-to-day basis to ensure Chamber programs and services continue uninterrupted.

On behalf of the Chamber's Board of Directors and staff, thank you for your commitment to our organization. We look forward to seeing you at upcoming Chamber events

Sincerely,

Dianne Shugrue  
Chair of the Board
